## Interoffice Memorandum

Subject:

Date: 25th MARCH 1981

To: ALL ENGINEERS  
 DISTRICT SUPPORT  
 SUPERVISORS  
 COULSDON

From: DON CURTIS

OK, so you are on site and Coulsdon can't/won't relate your request for a Dubrey to fit a Huflunger to a DEC part number, don't get all upset until you've read this list, and found that what you want is not on it.
