Thank you for purchasing a DEC 3000 Workstation upgrade. This upgrade must be installed by Digital Services or a qualified self maintenance customer.

You should have one or both of the following:

- OSF Version 2.1 (QA–MT4AA–H8) or later
- OpenVMS Version 6.1 (QA–MT1AH–H8)

To complete this upgrade follow the instructions described in the following documents:

- DEC 3000 Models 700 AXP and 900 AXP Service/Upgrade Information Addendum (EK–FLSPC–AD)
- DEC 3000 Models 600/600S AXP and 800/800S AXP Service Information (EK–FLSPC–SV)
